COMPANY OVERVIEW

Smart Gov Supply LLC is a SAM-registered small business (self-certified) supplying office products, toner & ink, copy paper, janitorial/sanitary, **breakroom and beverage**, and MRO supplies to federal, state & local government, K-12 & higher-education, and institutional buyers. Backed by a **national distributor network** and U.S. small-business manufacturers, we deliver competitive pricing, same-day quoting, and purchasing-card-friendly ordering. We support micro-purchase, P-card, cooperative buying and competitive solicitations — making it easy for agencies and districts to order from us today.

CORE COMPETENCIES

- Toner & ink cartridges (OEM & compatible), imaging supplies
- Office & school supplies, stationery, writing instruments
- Copy & printing paper, standard forms
- Janitorial / sanitary / facility supplies
- **Breakroom & beverage** — functional and ready-to-drink beverages from U.S. small-business manufacturers, bottled water, coffee & breakroom consumables; palletized case goods delivered to installation, MWR, dining and office locations
- Awards, engraving, trophies & sublimated goods
- MRO & general institutional supplies
- Medical/facility consumable supplies (wholesale)

DIFFERENTIATORS

- **P-card & micro-purchase ready** — buy today, no long onboarding
- Fast, competitive quoting vs. incumbent contract pricing — quotes turned in hours
- Distributor-backed catalog breadth; direct relationships with U.S. small-business manufacturers (nonmanufacturer-rule compliant sourcing)
- AI-assisted operations: 24/7 solicitation monitoring, deadline and price-hold tracking, compliance checks on every quote
- Small business — responsive, direct owner contact

PAST PERFORMANCE & CAPACITY

Established 2026. Purchase-card orders delivered to **U.S. Customs and Border Protection** and **TSA**; quotes and bids for U.S. Army installations, the Bureau of Prisons and public school districts; active on **DLA DIBBS** and the **Unison Marketplace**. Smart Gov Supply fulfills through a network of national distributors and manufacturer partners — sourcing the best available price per order with the catalog depth of national distribution and the responsiveness of a small business. Past-performance questionnaires available on request.
